PROJECTS

Center for Development of Technical Competencies

Mar 2019 - Apr 2019

http://anuragcdtc.com/

It is a website designed by us (team of 3 members) for our college.Through this, students can be registered into various technical clubs and technical courses offered in our college.We have used PHP,HTML,CSS and Bootstrap to design this site.

Website for International Conference

Apr 2019 - Apr 2019

http://www.anuragweb.club/icacii/

We have designed a website for an international conference ICACII-2019, organizing by Anurag Group of Institutions.We have used PHP, HTML, CSS ,Bootstrap and CodeIgniter framework to design this site.
